**AMENDED COMPLAINT**

Plaintiffs Themis Capital (“Themis”) and Des Moines Investments Ltd. (“Des Moines,” and together with Themis, “Plaintiffs”), by and through their attorneys, Dechert LLP, for their Complaint against defendants the Democratic Republic of Congo (“Congo”) and the Central Bank of the Democratic Republic of the Congo (the “Central Bank,” and together with Congo, the “Defendants”), allege as follows.

**NATURE OF ACTION**

1. This is a breach of contract action arising from Defendants’ failure to make contractually-mandated payments under a Refinancing Credit Agreement, dated March 31, 1980

(the "Credit Agreement") between Congo (then known as the Republic of Zaire), the Central Bank (then known as the Bank of Zaire), certain creditors of Congo, and various others. For their relief, Plaintiffs seek payment of the principal amount together with all accrued and unpaid interest due to them as assignees of certain original creditors' rights under the Credit Agreement. A true and correct copy of the Credit Agreement is annexed as Exhibit A.

**THE PARTIES**

2. Plaintiff Themis is an exempted company limited by shares organized and existing under the laws of the Cayman Islands.
3. Plaintiff Des Moines is a limited liability company organized and existing under the laws of the British Virgin Islands.
4. Defendant Congo is a Foreign State as defined in 28 U.S.C. § 1603.
5. Defendant the Central Bank is a Foreign State, as defined in 28 U.S.C. § 1603(b), because it is an agency or instrumentality of Congo.

**JURISDICTION AND VENUE**

6. This Court has jurisdiction over this action pursuant to 28 U.S.C. § 1330 because both Defendants are Foreign States that have explicitly and unconditionally waived sovereign immunity with respect to actions arising out of the Credit Agreement, and are therefore not entitled to immunity under 28 U.S.C. §§ 1605-07 or under any applicable international agreement.

7. In addition, both Defendants consented in the Credit Agreement to submit to the jurisdiction of this Court with respect to actions arising out of or relating to the Credit Agreement. Pursuant to Section 12.07 of the Credit Agreement, Defendants appointed CT

Corporation System, currently located at 111 Eighth Avenue, New York, New York 10011, as their authorized agent for service of process.

8. Venue is proper in this district by agreement of the parties and pursuant to 28 U.S.C. § 1391(f).

### **FACTUAL ALLEGATIONS**

#### **The Credit Agreement**

9. The Credit Agreement was entered into on March 31, 1980 by Congo, the Central Bank, certain creditors of Congo, various "agent" banks and a "servicing" bank for the purpose of restructuring certain debts then owed to the creditors by Congo. The debts rescheduled by the Credit Agreement are identified in various Credit Information Schedules identified as A-1 through A-26 (each a "Schedule") annexed to the Credit Agreement, and the rescheduled amounts of principal and interest owed to each creditor by Congo are set forth in those Schedules.

10. Pursuant to Sections 2.01, 3.02-3.05, 4.01, and 5.02(c) of the Credit Agreement, Congo was obligated to repay all amounts of principal due on or before April 2, 1990, and to make periodic payments of principal and interest to the creditors or their assigns.

11. Pursuant to Sections 8.03 and 9.01 of the Credit Agreement, the Central Bank is irrevocably authorized and obligated, for the benefit of Congo's creditors, to make all principal and interest payments due under the Credit Agreement on behalf of Congo, if sufficient dollars or other foreign currency is available to make the payments and Congo has not made such payments.

12. Upon information and belief, at all times material to this action, the Central Bank had foreign currency available to it with which to make the payments of principal and interest

not paid by Congo which were owed to Defendants' predecessors-in-interest under the Credit Agreement.

13. On February 25, 2003, both Defendants acknowledged and confirmed their obligations under the Credit Agreement for the purpose of renewing any applicable statute of limitations period or prescription period, including the New York statute of limitations. This acknowledgment was a writing signed by both Defendants which contained nothing inconsistent with an intention on the part of Defendants to fulfill their obligations under the Credit Agreement.

14. Section 12.10 of the Credit Agreement provides that the Credit Agreement "shall be governed by, and construed in accordance with, the laws of the State of New York, United States of America, without giving effect to the principles of choice of laws thereof."

#### **Defendants' Debt to Des Moines**

### ARTICLE III

#### INTEREST

**SECTION 3.01. Reference Date Interest.** The Obligor shall pay the Reference Date Interest on each Credit as provided in Section 2.01(b).

**SECTION 3.02. Interest from the Reference Date to the Reconciliation Date.** (a) **Payment Obligation.** The Obligor shall pay interest on each Credit from the Reference Date to the Reconciliation Date at the interest rates applicable to such Credit as specified in subsection (b) below, such interest to be due and payable on the Reconciliation Date and to be payable on the Outstanding Principal Amount of such Credit during the period from the Reference Date to the Payment Date and on the Refinanced Principal Amount of such Credit from the Payment Date to the Reconciliation Date.

(b) **Interest Rates.** The interest rates specified below shall apply for the periods indicated:

(i) During the period from the Reference Date to the Date of this Agreement, the Existing Rate shall apply to each Credit.

(ii) During the period from the Date of this Agreement to the Reconciliation Date,

(A) the Interim Rate shall apply to each Credit for which the Interim Rate Election has been made, and

(B) the Existing Rate shall apply to each Credit for which the Interim Rate Election has not been made; provided that any component of an Existing Rate which is a margin over any referenced rate (such as LIBO, PIBO, prime rate, base rate, etc.) shall be the Applicable Margin. It shall be the responsibility of each Agent and each Bank having a Single Bank Credit to make the calculations of interest required by Section 3.07(b) in accordance with this proviso.

**SECTION 3.03. Interest from the Reconciliation Date.** The Obligor shall pay interest on each Credit from the Reconciliation Date to the final Principal Payment Date at an interest rate per annum equal at all times during each Interest Period to the sum of the Applicable Margin and the LIBO Rate for such Interest Period, such interest to be due and payable on the last day of each Interest Period for interest accrued during such Interest Period.

**SECTION 3.04 . Interest Periods.** The period from the Reconciliation Date to the final Principal Payment Date shall be divided into successive Interest Periods. The first Interest Period shall begin on the Reconciliation Date and end on the last day of the Month in which occurs the first anniversary of the date of this Agreement. Each subsequent Interest Period shall be a period of six Months and shall begin on the last day of the immediately preceding Interest Period.

**SECTION 3.05. Interest on Overdue Principal.** (a) In the event that any principal amount of any Credit is not paid when due after the Effective Date, the Obligor shall pay interest on such unpaid principal amount from the date such principal amount is due to the date such principal amount is paid in full, payable on demand, at an interest rate per annum equal at all times during each Overdue Period to the sum of one percent (1%) plus the Applicable Margin plus the LIBO Rate for such Overdue Period. If the Servicing Bank receives notice from two or more Reference Banks that deposits in Dollars are not being offered to them by prime banks in the London interbank market for the applicable Overdue Period or in the applicable amounts, then the interest rate for the purposes of this subsection (a) shall be the sum of one percent (1%) plus the Applicable Margin plus the cost to each Bank (as set forth in the certificate referred to in subsection (c) below) of obtaining, from time to time, funds for such Overdue Period in the amount equal to the overdue principal amount owed to such Bank.

(b) For purposes of determining the interest rate pursuant to subsection (a) above, the period between the date the principal amount referred to therein is due and the date such principal amount is paid in full shall be divided into Overdue Periods of one Month (each of which other than the first shall begin on the last day of the next preceding Overdue Period).

(c) Without prejudice to the rights of any Bank under the foregoing provisions of this Section 3.05, the Obligor shall indemnify each Bank against any loss or expense which it may sustain or incur as a result of the failure by the Obligor to pay when due any principal of any Credit, to the extent that any such loss or expense is not recovered pursuant to such foregoing provisions but excluding any loss of profits. A certificate of any such Bank setting forth the basis for the determination of the interest due on overdue principal and of the additional amounts necessary to indemnify such Bank pursuant to this subsection (c) in respect of such loss or expense, submitted to the Obligor, shall be conclusive and binding for all purposes in the absence of manifest error.

(d) To the extent permitted by law, the Obligor further agrees to pay interest as provided in subsections (a) and (b) above on all interest which is not paid when due hereunder after the Effective Date, such interest is to be payable on demand, to accrue from the due date of such interest until payment in full thereof and to be calculated on the basis of successive Overdue Periods of one Month.

**SECTION 3.06. Alternative Interest Rates.**

(a) If (i) on or before any date on which an interest rate is to be determined pursuant to Section 3.07(a), the Servicing Bank receives notice from two or more Reference Banks that deposits in Dollars are not being offered to such Reference Banks by prime banks in the London interbank market for the applicable Interest Period or in the applicable amount or (ii) not later than the first day of such Interest Period, the Servicing Bank receives notice from any Agent that the LIBO Rate previously calculated by the Servicing Bank for such period does not adequately reflect the cost to a Syndicate Instructing Group for which such Agent acts of funding or maintaining during the applicable period their respective Credits, the Servicing Bank shall forthwith give notice of such event to the Obligor. Within 15 days following the date of any such notice, the Obligor and each Affected Agent shall enter into negotiations in good faith with a view to agreeing to an alternative basis acceptable to the Obligor and each Affected Syndicate Instructing Group for determining the interest rate (the "Substitute Interest Rate") which shall be applicable during such period to the Affected Credits and which shall reflect the cost to the Syndicate Members comprising each such Affected Syndicate Instructing Group (as agreed upon by each such Syndicate Instructing Group) of funding their Credits for such period from alternative sources plus the Applicable Margin. If, at the expiration of 30 days from the giving of such notice by the Servicing Bank, a Substitute Interest Rate shall have been agreed to, such Substitute Interest Rate shall take effect with respect to each Affected Credit for such Interest Period from the beginning of such period.

(b) If, at the expiration of 30 days from the giving of any notice by the Servicing Bank to the Obligor provided for in subsection (a) above, a Substitute Interest Rate shall not have been agreed to, each Affected Agent shall give notice to the Obligor of that rate of interest (as agreed upon by the respective Affected Syndicate Instructing Group) for the applicable period at which the Affected Syndicate Members are prepared to continue to lend the then unpaid amount of the Affected Credits of such Syndicate Members during such period. Such notice shall set forth the computations made in determining such rate of interest, which computations shall reflect the cost to each Affected Syndicate Member of funding for such period said Credits from alternative sources plus the Applicable

Margin. The Obligor may, within twenty days after the giving of any such notice, give notice (the giving of which shall be irrevocable) to the Servicing Bank and the Agent for each Affected Syndicate of its election to prepay all Affected Credits in full on a date which shall be specified in such notice of election and which shall be a Business Day not less than seven nor more than 40 days after the date of such notice of election by the Obligor to prepay. If the Obligor does so elect to prepay, the Obligor shall be obligated to pay on such date the unpaid principal amount of the Affected Credits, together with (i) an amount equal to the cost to such Syndicate Member of funding such Credits for the period from the last Interest Payment Date applicable to such Credits to the date of prepayment pursuant to this subsection (b), plus the Applicable Margin and (ii) any other amounts required hereunder (all such amounts, in the absence of manifest error, as determined by such Syndicate Member and notified by the Agent for such Syndicate to the Obligor). If the Obligor does not so elect to prepay, the rate of interest applicable to each such Credit in respect of such period shall be the rate as determined pursuant to the first sentence of this subsection (b), and the Agent shall then promptly notify the Obligor, the Servicing Bank and each Affected Syndicate Member to such effect.

(c) For the purposes of this Section 3.06, the term "Affected" shall mean either (x) each Credit, Agent, Syndicate, Syndicate Instructing Group, Syndicate Member and Bank in the event of a notification referred to in clause (i) of subsection (a) above or (y) the Credits, Agent, Syndicate, Syndicate Instructing Group and each Syndicate Member of a Syndicate with respect to which an Agent gives a notice referred to in clause (ii) of subsection (a) above. The provisions of clause (ii) of subsection (a) above shall not apply or be extended to any Single Bank Credit.

(d) It is understood that prior to invoking the benefits of subsection (a) or (b) above, during any negotiation of a Substitute Interest Rate and in making any determination pursuant to subsection (b) above, each Affected Bank or Syndicate Member will use all reasonable efforts exercised in good faith to avoid the need to implement the provisions of this Section and to provide the lowest feasible alternate interest rate, all without affecting or diminishing the obligations of the Obligor under this Section.

**SECTION 3.07 Miscellaneous Interest Provisions.**

(a) Determination of Interest Rates. The interest rate and the LIBO Rate for the Interim Rate and each Interest Period and Overdue Period shall be determined by the Servicing Bank on the basis of applicable quotations for the LIBO Rate furnished to and received by the Servicing Bank from

the Reference Banks prior to 3:00 P.M. (New York City time) two Business Days prior to the first day of the applicable period. Each Reference Bank agrees to advise the Servicing Bank at such times forthwith by telephone, telex, telegram or cable of the applicable rate, if any, offered to it at 11:00 A.M. (London time) on each such day. If any one or more of the Reference Banks shall not so furnish a quotation of the applicable rate to the Servicing Bank for any such period, the interest rate for such period shall be based upon the quotations furnished to the Servicing Bank by the other Reference Banks. Not later than one Business Day prior to each Interest Period and Overdue Period, the Servicing Bank shall give telex notice to the Obligor, each Agent and each Bank of the interest rate determined for each Interest Period and Overdue Period as hereinabove provided and the applicable rate quoted by each Reference Bank, and such notice shall be conclusive and binding for all purposes in the absence of manifest error.

(b) Calculations of Interest. Each interest rate specified in this Agreement is a per annum percentage rate. All computations of interest shall be made on the basis of a year of 360 days for the actual number of days (including the first day but excluding the last day) occurring in the period for which interest is payable. Each Agent shall advise the Servicing Bank by telex or cable, at least 90 days before each Interest Payment Date, of the aggregate amount of interest payable by the Obligor hereunder on such Interest Payment Date to the Syndicate Members of each Syndicate of such Agent. Simultaneously, each Agent shall advise by telex or cable each such Syndicate Member of the amount of interest payable to it on such Interest Payment Date. Each Bank which has a Single Bank Credit shall advise the Servicing Bank by telex or cable, at least 90 days before each Interest Payment Date, of the amount of interest payable by the Obligor hereunder on such Interest Payment Date to such Bank with respect to such Single Bank Credit. On the basis of the information received by it the Servicing Bank shall advise the Obligor by telex or cable at least 60 days before each Interest Payment Date of the aggregate amount of interest payable to the Banks hereunder on such Interest Payment Date, which advice shall be conclusive and binding for all purposes in the absence of manifest error.

With respect to interest payable on the Reconciliation Date, the foregoing provisions shall apply to the extent practicable. Otherwise the notifications by each Agent, each Bank having a Single Bank Credit and the Servicing Bank shall be made as soon as the interest payable on the Reconciliation Date can be determined by the appropriate Agent or Bank.

SECTION 3.08. Interest Accruals Under the Existing Agreements. (a) Any payment of the Reference Date Interest on a Credit on or prior to the Effective Date shall be applied to the interest payment obligations on such Credit under this Agreement and the applicable Existing Agreement. If the Effective Date does not occur, the interest payment obligations on each Credit shall continue to be governed by the terms of the applicable Existing Agreement.

(b) With respect to each Existing Agreement under which the interest rate is determined by a referenced rate (such as LIBO, PIBO, prime rate, base rate, etc.), the Obligor consents to any change of the periods for which such referenced rate is calculated under such Existing Agreement which (i) permits the calculation of such referenced rate for the period from the date of this Agreement to the Reconciliation Date or (ii) shortens any period for which such referenced rate would otherwise be calculated so that such period ends on the Reconciliation Date. Any such change of such periods under any Existing Agreement in accordance with its terms shall be binding upon the Obligor for the purpose of calculating the interest obligations under such Existing Agreement if the Effective Date does not occur.

- (i) if both (x) the amount of all repayments of such Other Credit in the calendar year in which such repayment is made does not exceed \$500,000 (or its equivalent in another currency) and (y) the sum of such repayment and all other repayments of Other Credits made in the calendar year in which such repayment is made does not exceed \$5,000,000 (or its equivalent in other currencies); or

- (v) for which either (x) the Société Cairoke de Commercialisation des Minerais or (y) La Générale des Carrières et des Mines is the primary obligor and which is paid out of the Foreign Currency of such primary obligor.

To the fullest extent permitted by law, the Obligor shall make all payments hereunder unconditionally in full without set-off, defense or counterclaim, including, without limitation, any defense or counterclaim based on any law, rule or policy which is now or hereafter promulgated by any governmental authority or regulatory body and which may adversely affect the obligation to make, or the right of any Bank to receive, such payments.

**SECTION 5.03. Special Rules as to Application of Payments.** (a) Insufficient Funds; Ratable Distribution. If funds to be distributed by the Servicing Bank to the Agents and Banks are insufficient to make the relevant payments in full, the Servicing Bank shall (subject to subsection (c) of this Section) distribute such funds ratably in proportion to the amounts of the relevant payments due. If funds to be distributed by an Agent to two or more Syndicate Members in a Syndicate are insufficient to make the relevant payments in full, such Agent shall (subject to subsection (c) of this Section) distribute such funds to such Syndicate Members ratably in proportion to the amounts of the relevant payments due to each such Syndicate Member.

(b) Purpose Not Identified. If the Servicing Bank cannot identify the party or parties for whose account and the purpose for which funds received by it are to be applied and the Obligor does not advise the Servicing Bank of the party or parties for whose account and the purpose for which such funds are to be applied, within two Business Days after the Servicing Bank shall request such advice, the Servicing Bank shall (subject to subsection (c) of this Section) distribute such funds to pay the interest, principal and other amounts then due hereunder which are to be paid through the Servicing Bank pursuant to Section 5.02(a), in the following order: first, ratably to pay all such interest then due, second, ratably to pay all such principal then due and third, ratably to pay all such other amounts then due.

(c) Application of Payments after a Declaration. All funds received or held by the Servicing Bank after a Declaration shall be distributed by the Servicing Bank to pay the principal, interest and other amounts then due hereunder which are to be paid through the Servicing Bank pursuant to Section 5.02(a) in the following order: first, ratably to pay all such principal then due, second, ratably to pay all such interest then due and third, ratably to pay all such other amounts then due. Any Bank may apply funds received by it pursuant to this subsection in a different order, but such application shall not affect the duties of the Servicing Bank or any Agent or the obligations of the Obligor hereunder.

**SECTION 5.04. Sharing of Payments, Etc.** If any Bank shall obtain any payment (whether voluntary, involuntary, through the exercise of any right of set-off, or otherwise) on account of its Credits (other than pursuant to Section 3.06(b) or 4.03(b)) in excess of its ratable share of payments on account of the Credits obtained by all the Banks, such Bank shall forthwith purchase from the other Banks such participations in their Credits as shall be

5 - 4

necessary to cause such purchasing Bank to share the excess payment ratably with each of them; provided that if all or any portion of such excess payment is thereafter recovered from such purchasing Bank, the purchase shall be rescinded and the purchase price restored to the extent of such recovery, but without interest; it being understood that this Section shall not impair any right of any Bank to apply amounts obtained by it to pay indebtedness other than indebtedness of the Obligor under this Agreement nor impose any obligation to obtain payment of the Credits in any manner. The Obligor agrees that any Bank so purchasing a participation from another Bank pursuant to this section 5.04 may, to the fullest extent permitted by law, exercise all its rights of payment (including any right of set-off provided by law) with respect to such participation as fully as if such Bank were the direct creditor of the Obligor in the amount of such participation. Each Bank purchasing any such participation from another Bank shall promptly notify its Agent, the Servicing Bank and the Obligor of each such purchase of a participation and any such rescission thereof.

**SECTION 5.05. Evidence of Debt.** Each Bank, with respect to Credits owed to it, each Agent, with respect to Credits of its Syndicates, and the Servicing Bank, with respect to all the Credits, shall maintain on its books control accounts setting forth the amounts of principal, interest and other sums paid and payable by the Obligor from time to time hereunder with respect thereto. In case of any dispute, action or proceeding relating to any Credit, the entries in each such account shall be prima facie evidence of the amount of such Credit and of such amounts paid and payable. In case the entries in such accounts are not identical, each Agent's account shall be considered correct in the absence of manifest error with respect to Credits of its Syndicates, and the account of each Bank having a Single Bank Credit shall be considered correct in the absence of manifest error with respect to such Single Bank Credit.

**SECTION 5.06. Increased Costs.** If, due to either (i) the introduction after the date of this Agreement of or any change after the date of this Agreement in or in the interpretation of any law or regulation (including any regulation relating to reserve requirements), or (ii) the compliance with any request after the date of this Agreement from any central bank or other governmental authority (whether or not having the force of law), there shall be any (A) increase in the cost to any Bank of funding or maintaining its Credits or (B) reduction in the amount of any payment received or receivable by any Bank in respect of its Credits, then the Obligor shall from time to time, upon demand by such Bank (with a copy of such demand to the Servicing Bank and Agent for such Bank), pay to the Servicing Bank for account of such Bank additional amounts sufficient to indemnify such Bank against such increased cost or reduced amount. A certificate as to the amount of such increased cost or reduced amount, submitted to the Obligor and the Servicing Bank and each such Agent by such

Bank, shall be conclusive and binding for all purposes in the absence of manifest error. It is understood that this Section does not apply to any increase in the income or franchise taxes levied by any jurisdiction (or political subdivision or taxing authority thereof) under the laws of which a Bank is organized or in which the Lending Office of such Bank is located.

**SECTION 5.07. Taxes.** (a) All payments by the Obligor in respect of principal, interest, fees and other amounts due hereunder shall be made free and clear of and without deduction for any and all present and future taxes, levies, imposts, deductions, charges and withholdings, and all liabilities with respect thereto, asserted, imposed, levied, collected or assessed on or as a result of the payment of any such amounts either by the Republic of Zaire or by any jurisdiction from which any such payment by the Obligor is made (and any political subdivision or taxing authority of either thereof or therein), provided that this subsection shall not apply to any income and franchise taxes of, in the case of each Bank and Agent and the Servicing Bank, the jurisdiction under the laws of which such Bank, Agent or the Servicing Bank (as the case may be) is organized and, in the case of each Bank, the jurisdiction of such Bank's Lending Office and any political subdivision or taxing authority of either thereof or therein (all such non-excluded taxes, levies, imposts, deductions, charges, withholdings and liabilities being hereinafter referred to as "Taxes"). Within 45 days after the date of each such payment hereunder, the Obligor will also furnish to the Servicing Bank for the account of each Agent and Bank the original or a certified copy of a receipt for payment of any Taxes payable in respect of any such payment.

(b) In addition, the Obligor will pay any taxes on the acquisition of debt obligations of a foreign obligor and any stamp or similar taxes of any jurisdiction with respect to the execution, delivery, registration, performance and enforcement of this Agreement, Taxes specified in subsection (a) above and Taxes with respect to any amount paid under this subsection (b). If any Taxes specified in subsection (a) above or any taxes mentioned in this subsection (b) are paid by any Bank, Agent or the Servicing Bank, or are asserted, imposed, levied or assessed against and paid by any affiliate thereof, the Obligor will, upon demand of such Bank, Agent, Servicing Bank or affiliate and whether or not such Taxes or taxes shall be correctly or legally asserted, indemnify such Bank, Agent, Servicing Bank or affiliate (as the case may be) for such payments, together with any interest, penalties and expenses in connection therewith plus interest thereon at the then current rate in effect pursuant to Section 3.03, provided that no Bank or Agent nor the Servicing Bank shall voluntarily pay any such Taxes or taxes prior to the thirtieth day after it shall have notified the Obligor that it proposes to do so, unless in its opinion failure to pay the same before such thirtieth day would result in the imposition of fines, penalties or

other sanctions against it. Each Bank, each Agent and the Servicing Bank agrees to remit promptly to the Obligor any amount so indemnified by the Obligor which is refunded by the appropriate taxing authority.

(c) Without prejudice to the survival of any other agreement of the Obligor hereunder, the agreements of the Obligor contained in this Section 5.07 shall survive the payment in full of the Credits.

**SECTION 5.08. Payments Subsequently Repaid.** If (a) all or any portion of any payment to the Servicing Bank or any Agent or Bank in respect of any amount payable by the Obligor hereunder shall at any time be repaid to the Obligor or Bank of Zaire in compliance with an order of a court of competent jurisdiction and (b) at such time such amount is due and payable hereunder, the Obligor shall concurrently with such repayment become obligated hereunder to make a payment in the same amount to the Servicing Bank or such Agent or Bank, as the case may be. Such obligation shall be deemed to arise at such time for purposes of any statute of limitations.

**SECTION 5.09. Funds Incorrectly Disbursed.** If due to inaccurate instructions from the Obligor or the Bank of Zaire or any other reason, the Servicing Bank disburses funds to any Agent or Bank or any Agent disburses funds to any Bank either (x) in excess of the ratable share allocable to such Agent or Bank or (y) on an assumption which proves to be inaccurate that sufficient funds for such payment have been provided to the Servicing Bank by the Obligor or the Bank of Zaire, or to such Agent or Bank by the Servicing Bank or the Obligor or the Bank of Zaire, then immediately upon receipt of notice of such incorrect disbursement the recipient Agent or Bank shall promptly remit a like amount, in funds similar to those incorrectly disbursed, to the Servicing Bank or such Agent, as the case may be, together with interest thereon for each day during which such recipient Agent or Bank had such amount available for its use, calculated at the rate per annum at which interbank adjustments for late payments are customarily made in New York City among New York Clearing House Banks.

(a) Independent Investigation by Each Bank. Such Bank is familiar with such matters (including without limitation the economic and financial condition of the Obligor and the Bank of Zaire) as in its opinion may affect the performance by the Obligor and the Bank of Zaire of their respective obligations hereunder and in that connection has made its own independent appraisal of the economic affairs, financial condition, foreign exchange and reserve holdings, prospective foreign exchange income and holdings, creditworthiness, condition, affairs, status and nature of the Obligor and the Bank of Zaire. It will continue to be solely responsible for making its own independent appraisal of all such matters in the future and has not relied, and will not hereafter rely, on any other Bank or on any Agent or the Servicing Bank (i) to check or inquire on such Bank's behalf into the adequacy, accuracy or completeness of the Information Memorandum or the World Bank Report or any information provided by the Obligor or the Bank of Zaire in connection herewith, whether or not such information has been or is hereafter distributed by any other Bank, any Agent or the Servicing Bank or any of their respective affiliates, (ii) to assess or keep under review on such Bank's behalf such information or any of the matters referred to in this subsection or (iii) to inform such Bank concerning the results of any such appraisal, check, inquiry, assessment or review made by

Such Bank acknowledges and accepts that such other relationships in fact exist and that the existence, nature and extent of each such other relationship have not been specifically disclosed to such Bank and that each other Bank, each Agent, the Servicing Bank and their respective affiliates may also in the future accept deposits from, lend money to, act as trustee under indentures of, act as agent or in similar function under any credit relationship with, and generally engage in any kind of business with, the Obligor, the Bank of Zaire and any other Person, all as if such other Bank, Agent or the Servicing Bank were not a party to this Agreement. Such Bank acknowledges that the Servicing Bank, each other Bank, each Agent and their respective affiliates may exercise all contractual and legal rights and remedies which may exist from time to time with respect to such other existing and future relationships without any duty to account therefor to such Bank.

(d) No Duty to Investigate Events of Default. Except as otherwise provided in Section 10.02(e), the Banks, the Agents and the Servicing Bank shall have no duty or obligation to any Bank to ascertain or inquire or inform it as to the occurrence of any Event of Default or any event or condition which, with the giving of notice or the lapse of time or both, or upon a determination, would constitute an Event of Default and each Bank, each Agent and the Servicing Bank and their respective affiliates may communicate in writing or orally with the Obligor, the Bank of Zaire, any Bank or Agent, the Servicing Bank or any other Person about the occurrence of any such Event of Default, event or condition or about any other matter whatsoever arising in the administration, coordination and performance of this Agreement, all without communicating with any Bank about any such matter. Each Bank may in its discretion, but without any obligation to any other Bank, any Agent or the Servicing Bank, notify the Agent of any Syndicate in which such Bank is a Syndicate Member of the occurrence of any such Event of Default, event or condition by giving a Notice of Default with respect thereto. However, in no event shall any Bank, any Agent (except as provided in Section 10.02(e)) or any of their respective affiliates be under any duty to notify any Bank, any Agent or the Servicing Bank about any "Event of Default", any event or condition which could become an "Event of Default" or any other default under any other agreement relating to any credit relationship referred to in clause (c) above or about any matter relating to any such agreement.

(b) Duly obtain and maintain in full force and effect all governmental approvals (including any exchange control approvals) which may be necessary under the law of the Republic of Zaire for the execution, delivery and performance of this Agreement by the Obligor or for the validity or enforceability hereof and duly take all necessary and appropriate governmental and administrative action in the Republic of Zaire in order to make all payments to be made hereunder as required by this Agreement.

- (vii) such other financial, statistical and general information (including reasonably detailed reports on any refinancing or rescheduling of External Indebtedness) about the Obligor, the Bank of Zaire, any Governmental Agency or Governmental Enterprise as the Majority Banks or Majority Agents may from time to time reasonably request through the Servicing Bank or any Agent.

For the purpose of clauses (ii), (iii), (iv) and (v) above, any written request to the Obligor or the Bank of Zaire from the IMF or the IBRD that the Obligor or the Bank of Zaire refrain from distributing to the Banks or third parties generally any particular report or document referred to in any of such clauses shall be considered to be a specific prohibition.

**SECTION 8.02. Negative Covenants of the Obligor.**  
So long as any Credit shall remain outstanding, the Obligor will not:

(a) Create or permit to be created and continue, nor permit the Bank of Zaire or any other Governmental Agency or Governmental Enterprise to create or permit to be created and continue,

(i) any Lien for any purpose upon or with respect to (A) any International Monetary Assets or (B) any Foreign Exchange or gold owned or held by the Obligor, the Bank of Zaire or any Governmental Agency or Governmental Enterprise;

(ii) any Lien upon or with respect to any Asset of the Obligor, the Bank of Zaire or any Governmental Agency or Governmental Enterprise to secure or provide for the payment of External Indebtedness of any Person; or

(iii) any Lien upon or with respect to any Exportable Assets of any Person to secure or provide for the payment of External Indebtedness incurred or Guaranteed by the Obligor, the Bank of Zaire or any Governmental Agency or Governmental Enterprise;

provided that the foregoing restrictions shall not apply to:

(1) any Lien on Foreign Currency (or deposits denominated in Foreign Currency) securing obligations with respect to a letter of credit issued in the course of ordinary commercial banking transactions (and expiring within one year thereafter) to finance the importation of goods into the Republic of Zaire;

(2) any Lien on Exportable Assets securing External Indebtedness incurred to finance the business of producing and/or exporting similar Exportable Assets, provided that (A) such Lien applies only to goods which are expected to be sold or documents evidencing title thereto and the proceeds of any insurance thereon, and the proceeds of sale of which are expected to be received, within 24 months after such goods or proceeds become subject to such Lien and (B) such External Indebtedness (i) is incurred in the normal course of business, (ii) is to be repaid primarily out of proceeds of sale of the Exportable Assets subject to such Lien and (iii) does not arise out of financing provided by the lender with a view to obtaining repayment of other External Indebtedness or on condition that other External Indebtedness be repaid;

8 - 4

(3) any Lien securing External Indebtedness incurred for the purpose of financing any acquisition of Assets, provided that the Assets which are subject to such Lien are (A) tangible Assets acquired in such acquisition, (B) claims which arise from the loss of or damage to such Assets, or (C) rent or charter hire payable by a lessee or charterer of such Assets;

(4) any Lien on Assets acquired (or deemed to be acquired) by the Obligor, the Bank of Zaire or any Governmental Agency or Governmental Enterprise under a financial lease, or claims arising from the use or loss of or damage to such Assets, provided that (A) such Lien secures only rentals and other amounts payable under such lease and (B) such Assets were not owned by the Obligor, the Bank of Zaire or any Governmental Agency or Governmental Enterprise at any time prior to becoming subject to such lease unless at the time of the acquisition of such Assets contractual arrangements contemplated that such lease would be executed;

(5) any Lien which arises pursuant to any order of attachment, restraint or similar legal process arising in connection with court proceedings so long as the execution or other enforcement thereof is effectively stayed and the claims secured thereby are being contested in good faith by appropriate proceedings, provided that any such Lien is released or discharged in any case within one year of its imposition;

(6) any Lien arising by operation of law (and not pursuant to any agreement) which has not been foreclosed or otherwise enforced against the Assets to which it applies;

(7) any Lien securing or providing for the payment of External Indebtedness incurred in connection with any Project Financing, provided that the Assets to which such Lien applies are (A) Assets which are the subject of such Project Financing or (B) revenues or claims which arise from the operation, failure to meet specifications, exploitation, sale or loan of, or damage to, such Assets; and

(8) Liens in existence on the date hereof, provided that such Liens remain confined to the Assets presently affected thereby and Assets which become affected by such Liens under contracts in effect on the date of this Agreement and provided further that such Liens secure or provide for the payment of only those obligations so secured or provided for on the date hereof.

8 - 5

As used in this subsection, "Exportable Assets" means goods which are sold or intended to be sold for a consideration consisting of or denominated in a Foreign Currency and any right to receive Foreign Currency in connection with the sale thereof; "Foreign Exchange" has, as to the types of assets included, the meaning given to it in the IMF's publication entitled "International Financial Statistics" dated December 1979 or such other meaning as shall be formally adopted by the IMF from time to time; and "Project Financing" means any financing (but not a refinancing) of the acquisition, construction or development of any Asset in connection with a project if the Person or Persons providing such financing expressly agree to look to the Asset financed and the revenues to be generated by the operation of, or loss of or damage to, such Asset as the principal source of repayment for the money advanced and have been provided with a feasibility study prepared by competent independent experts on the basis of which it was reasonable to conclude that such project would generate sufficient Foreign Currency income to repay substantially all of the principal of and interest on all External Indebtedness incurred in connection with such project.

(b) Enter into any credit agreement or other contract for External Indebtedness, nor permit the Bank of Zaire or any Governmental Agency to enter into any credit agreement or other contract for External Indebtedness, which grants by contract to any other Person any right of set off, banker's lien, counter-claim or similar contractual right.

**SECTION 8.03. Instruction of the Obligor.**  
The Obligor hereby irrevocably and unconditionally instructs the Bank of Zaire, for the benefit of each Bank, to make all payments required by this Agreement as contemplated by clause (ii) of Section 9.01(e).

9 - 1

the Bank of Zaire irrevocably and unconditionally states  
and agrees for the benefit of each Bank that:

(a) All payments of principal, interest and other amounts required under this Agreement are irrevocably authorized by all action required in the Republic of Zaire so that such payments can be made in the currency and manner and at the time required by the terms of this Agreement. The Bank of Zaire will maintain in full force and effect all authorizations necessary to make all such payments as so required.

(b) The Bank of Zaire will use its best efforts to ensure that the Obligor and the Bank of Zaire will maintain sufficient Dollars or other Foreign Currency so that all such payments will be made as so required.

(c) Subject to the availability to the Bank of Zaire of Dollars or other Foreign Currency and pursuant to the instructions of the Obligor contained in Section 9.03, the Bank of Zaire will either (i) make available to the Obligor sufficient Dollars or other Foreign Currency to enable the Obligor to make each such payment as so required or (ii) on behalf of the Obligor make each payment as so required.

**SECTION 9.02. Representations and Warranties of the Bank of Zaire.** The Bank of Zaire represents and warrants as follows:

(c) The execution, delivery and performance of this Agreement by it have been duly authorized by all necessary legislative, administrative and other governmental action under the charter ("statutes") of the Bank of Zaire or under the law of the Republic of Zaire and do not contravene law or any contractual restriction which binds or affects the Bank of Zaire or any of its Assets.

(d) This Agreement has been duly executed and delivered by the Bank of Zaire and is the legal, valid and binding obligation of the Bank of Zaire enforceable against the Bank of Zaire in accordance with its terms.

## ARTICLE X

### EVENTS OF DEFAULT

SECTION 10.01. Event of Default defined. Each of the following events or conditions shall be an "Event of Default":

(a) The Obligor shall fail to pay when due under this Agreement any amount of principal of any Credit or the Obligor shall fail to pay any interest due under this Agreement on any Credit within fifteen days after the due date thereof;

(b) Any representation, warranty or certification (other than those contained in subsection (g) of Section 7.01) made by the Obligor or the Bank of Zaire (or by any of their respective officials) herein or in any certificate delivered pursuant thereto shall prove to have been incorrect in any material respect when made;

(c) The Obligor shall fail to perform or observe any of its covenants contained in Sections 4.02, 8.01(b), 8.01(c) or 8.02 or the Bank of Zaire shall fail to perform or observe any of its covenants contained in Sections 9.01(a) or 9.03;

(d) The Obligor or the Bank of Zaire shall fail to perform or observe any term, covenant or agreement contained in this Agreement on its part to be performed or observed (other than those covered by subsections (a), (b) or (c) above) and any such failure shall remain unremedied for 30 days after written notice thereof shall have been given to the Obligor, or to the Bank of Zaire with a copy to the Obligor, as may be appropriate, by the Servicing Bank or any Agent;

(e) The Obligor, the Bank of Zaire or any Governmental Agency or Governmental Enterprise shall fail to pay (i) any External Indebtedness (other than in respect of any Credit) of the Obligor, the Bank of Zaire or such Governmental Agency or Governmental Enterprise (as the case may be), or any interest or premium thereon, or (ii) any sum, not constituting External Indebtedness, owing to any Bank with respect to any such External Indebtedness (other than in respect of any Credit and other than any sum guaranteed or insured by any governmental credit export agency), whether or not such External Indebtedness remains outstanding, in each case when due (whether at scheduled maturity or by required prepayment, acceleration, demand or otherwise) and such failure shall continue after the applicable grace period, if any, specified in the agreement or instrument relating to such External Indebtedness; provided that with respect to any such External Indebtedness or any such sum outstanding on the date hereof, any such non-payment

when due shall not constitute an Event of Default under this subsection (e) until the day on which any refinancing or rescheduling agreement with respect to such currently outstanding External Indebtedness or such sum becomes effective in accordance with its terms and such External Indebtedness or such sum shall not be paid when due in accordance with the terms of such refinancing or rescheduling agreement, after any applicable grace period provided therein; and provided further that the foregoing proviso shall not apply to any such External Indebtedness, interest, premium or sum with respect to which any creditor initiates legal proceedings or takes any other action or exercises any other contractual or legal remedy in order to receive payment of such External Indebtedness, interest, premium or sum rather than refinance or reschedule such External Indebtedness, interest, premium or sum on payment terms no more favorable to such External Indebtedness, interest, premium or sum than this Agreement is to the Credits;

(f) External Indebtedness of the Obligor, the Bank of Zaire or any Governmental Agency or Governmental Enterprise exceeding in the aggregate \$1,000,000 (or its equivalent in other currencies) during any period of twelve consecutive months shall be declared to be due and payable, or required to be prepaid (other than by a regularly scheduled required prepayment) prior to the stated maturity thereof; provided that with respect to any such External Indebtedness outstanding on the date hereof, any such declaration or requirement shall not constitute an Event of Default under this subsection (f) unless it is made pursuant to any refinancing or rescheduling agreement entered into after the date of this Agreement with respect to such currently outstanding External Indebtedness; and provided further that the foregoing proviso shall not apply to any such currently outstanding External Indebtedness with respect to which any creditor initiates legal proceedings or takes any other action or exercises any other contractual or legal remedy in order to receive payment of such External Indebtedness rather than refinance or reschedule such External Indebtedness on payment terms no more favorable to such External Indebtedness than this Agreement is to the Credits;

(g) The Obligor shall cease to be a member, or shall cease to be entitled to use the general resources, of the IMF;

(h) The Obligor shall cease to be a member of or shall be suspended from membership in the IBRD, and the Majority Banks or all Agents shall determine in their sole discretion that such cessation or suspension shall constitute an Event of Default;

(i) The Bank of Zaire shall not at all times remain the central bank of the Republic of Zaire;

(j) The Bank of Zaire shall not at all times hold substantially all of (i) the International Monetary Assets and (ii) the gold owned by the Obligor, the Bank of Zaire and the Governmental Agencies;

(k) The validity of this Agreement shall be contested by the Obligor or the Bank of Zaire, or the Obligor or the Bank of Zaire shall deny liability hereunder (whether by a general suspension of payments or a moratorium on the payment of External Indebtedness or otherwise), or any change in any treaty, law, regulation, communique, decree, ordinance or policy of the Obligor or the Bank of Zaire shall occur which purports to render any material provision of this Agreement invalid or unenforceable or which purports to prevent or materially delay the performance or observance by the Obligor or the Bank of Zaire of their respective obligations hereunder;

(l) The payment terms of any refinancing or rescheduling of any Other Credit shall provide more favorable payment to other creditors than the payment terms of this Agreement provide with respect to the Credits, and the Majority Banks or all Agents shall determine in their sole discretion that such condition shall constitute an Event of Default; or

(m) Any event or condition (including, without limitation, any material adverse change in the economic or financial condition of the Obligor or the Bank of Zaire) shall occur which gives reasonable grounds to conclude that the Obligor or the Bank of Zaire will not pay any amount when it becomes due under this Agreement.

#### **SECTION 10.02. Effects of Events of Default.**

(a) Action by Servicing Bank. If any Event of Default referred to in Section 10.01 shall occur and be continuing at any time after the Effective Date, the Servicing Bank shall at the request of either the Majority Banks or the Majority Agents, by notice to the Obligor, declare the entire unpaid principal amount of all Credits, all interest accrued and unpaid thereon and all other amounts payable under this Agreement to be forthwith due and payable, whereupon all such Credits, interest and other amounts shall become and be forthwith due and payable, without presentment, demand, protest or other notice of any kind, all of which are hereby expressly waived by the Obligor. The Servicing Bank shall give immediate notice of any declaration (a "Declaration") under this subsection to each Agent and Bank, but failure to give such notice shall not affect the effectiveness of such Declaration.

(b) Action by Agent. If (i) any Event of Default referred to in subsection (a) of Section 10.01 shall occur and be continuing at any time after the Effective Date, each Agent shall at the request, or may with the consent, of Syndicate Members holding 66 2/3% or more of the then outstanding aggregate principal amount of the Credits in

the Syndicate for which such Agent acts or (ii) any Event of Default referred to in subsections (b) through (n) of Section 10.01 shall occur and be continuing at any time after the Effective Date, each Agent shall at the request, or may with the consent, of Syndicate Members holding 75% or more of the then outstanding aggregate principal amount of the Credits in the Syndicate for which such Agent acts, by notice to the Obligor, declare the entire unpaid principal amount of the Credits of such Syndicate, all interest accrued and unpaid thereon and all other amounts payable under this Agreement with respect to such Credits to be forthwith due and payable, whereupon such Credits, all such accrued interest and all such amounts shall become and be forthwith due and payable, without presentment, demand, protest or further notice of any kind, all of which are hereby expressly waived by the Obligor; provided that no such notice of any declaration (a "Declaration") under this subsection (b) shall be effective with respect to the Credits in any one Syndicate until one or more Agents for one or more other Syndicates transmits a similar Declaration with respect to the Credits in such other Syndicate or Syndicates so that the aggregate principal amount of the Credits subject to such Declarations transmitted by Agents represents 15% or more of the aggregate principal amount of all Credits. Each Agent shall give immediate notice of any Declaration to each Bank for which such Agent acts as Agent (irrespective of the Syndicate in which such Bank is a Syndicate Member), each Agent and the Servicing Bank, but failure to give such notice shall not affect the effectiveness of such Declaration. The Servicing Bank shall immediately advise the Obligor of each notice of any Declaration received by it under this subsection, together with a calculation of the aggregate principal amount and aggregate percentage by amount of all Credits subject to such Declaration; provided the effectiveness of each such Declaration shall not be affected by the failure of the Servicing Bank to give notice thereof to the Obligor.

(c) Action by Bank Having a Single Bank Credit. If (i) any Event of Default referred to in Section 10.01 shall occur and be continuing at any time after the Effective Date and (ii) any Credit of any Bank is the subject of a Declaration given pursuant to Section 10.02(b), such Bank may, by notice to the Obligor, declare the entire unpaid principal amount of each Single Bank Credit of such Bank, all interest accrued and unpaid thereon and all other amounts payable under this Agreement with respect to such Credit to be forthwith due and payable, whereupon such Credit, all such accrued interest and all such amounts shall become and be forthwith due and payable, without presentment, demand, protest or further notice of any kind, all of which are hereby expressly waived by the Obligor; provided that no such notice of any declaration (a "Declaration") under this subsection (c) shall be effective with respect to any Single Bank Credit until the Declaration referred to in clause (ii) of this subsection (c) is effective in accordance with the proviso of Section 10.02(b). Each Bank shall give immediate notice of any Declaration to each Bank, each Agent and the Servicing Bank, but failure to give such notice shall not affect the effectiveness of such Declaration.

(d) Determinations of Events of Default. If any Syndicate Instructing Group believes that an event or condition exists which, upon a determination of the requisite Banks or Agents, would constitute an Event of Default under Sections 10.01(h) or (l), such Syndicate Instructing Group may communicate such belief to its Agent with a request that such Agent request the other Agents to poll the Syndicate Members for which the other Agents act as to whether such event or condition should be determined to be an Event of Default. Upon receipt of any such request, each other Agent shall poll the Syndicate Members for which it acts. Each Agent shall tabulate the results of any such poll of its Syndicate Members according to the principal amount of the Credits represented by the responses of such Syndicate Members and shall communicate such results to the Servicing Bank and the other Agents; provided that no Agent shall include in such tabulation the principal amount of any Single Bank Credit unless the Syndicate Member having such Single Bank Credit shall have confirmed to such Agent that such Syndicate Member has not included such Single Bank Credit in any other response of such Syndicate Member to any other Agent. Each Agent shall, promptly upon the request of any other Agent, so tabulate and communicate the results received by it from the Syndicate Members for which it acts even though all such Syndicate Members have not yet responded. If the foregoing procedures are followed, such tabulations and communications of the Agents shall be conclusive, in the absence of manifest error, as to whether the Majority Banks have made a determination that an Event of Default exists under Section 10.01(h) or (l), but the foregoing shall not prohibit the making of any such determination in any other reasonable manner.

(e) Transmittal of Notice of Default. If any Agent receives a Notice of Default (x) from another Agent, it shall promptly notify each Syndicate Member for which it acts of the contents thereof, and (y) from any Syndicate Member for which it acts, it shall promptly notify each other Agent and each other Syndicate Member for which it acts of the contents thereof.

## ARTICLE XI

### THE SERVICING BANK AND THE AGENTS

The provisions of this Article XI contain agreements among the Banks, the Agents and the Servicing Bank. Any appointment of a successor Servicing Bank or successor Agent pursuant to Sections 11.03 or 11.06 shall be binding on all parties to this Agreement.

**SECTION 11.01. Limited Appointment and Responsibilities of Servicing Bank and Agents.** (a) General. The Servicing Bank and each Agent shall perform the mechanical and clerical functions in connection with the administration of this Agreement which are specifically set forth herein for the Servicing Bank and each Agent, and in connection therewith shall have such powers as are reasonably incidental thereto. The responsibilities of the Servicing Bank and each Agent are strictly limited to those specifically set forth in this Agreement, and no unstated functions, responsibilities, duties, obligations or liabilities shall be read into this Agreement or otherwise exist against the Servicing Bank or any Agent. The Servicing Bank shall not be agent, trustee or fiduciary for the Obligor, the Bank of Zaire, any Agent or any Bank, except as expressly provided in Section 5.02. No Agent shall be agent, trustee or fiduciary for any Syndicate or Syndicate Member except as expressly provided in Sections 5.02 and 5.10 or otherwise expressly provided in this Agreement.

(b) General Appointment of Agents. Each Bank hereby appoints and authorizes each Agent to take such action as agent on its behalf and to exercise such powers under this Agreement as are expressly delegated to the Agents generally by the terms hereof, together with such powers as are reasonably incidental thereto.

(c) Individual Appointment of Each Agent. In addition, each Syndicate Member in each Syndicate hereby appoints and authorizes the Agent for such Syndicate to take such action as agent on its behalf and to exercise such powers under this Agreement as are expressly delegated to such Agent, together with such powers as are reasonably incidental thereto.

**SECTION 11.02. Discretions and Protections of Servicing Bank and Agents.** (a) No Duty to Exercise Discretion; Consultations. As to any matters not expressly set forth in this Agreement as a function or responsibility or discretionary power of the Servicing Bank or any Agent, the Servicing Bank and such Agent shall not be required to exercise any discretion or take any action, except that the Servicing Bank and such Agent may, in its sole discretion, act or refrain from acting (and shall be fully protected in so acting or refraining from acting) upon the instructions

of the Requisite Banks (as defined below), and such instructions shall be binding upon the Servicing Bank and all Agents and Banks. If, with respect to a proposed action to be taken by it, the Servicing Bank or any Agent shall determine in good faith that the provisions of this Agreement relating to the functions or responsibilities or discretionary powers of the Servicing Bank or such Agent are or may be ambiguous or inconsistent, the Servicing Bank or such Agent may so notify the appropriate parties hereto (identifying the proposed action and the provisions that it considers are or may be ambiguous or inconsistent) and may decline either to perform such function or responsibility or to exercise such discretionary power unless it has received the written confirmation of the Requisite Banks that the proposed to be taken by the Servicing Bank or such Agent is consistent with the terms of this Agreement or is otherwise appropriate. The Servicing Bank and each Agent shall be fully protected in acting or refraining from acting upon the confirmation of the Requisite Banks in this respect, and such confirmation shall be binding upon the Servicing Bank and all Agents and Banks. For the purpose of this Section, "Requisite Banks" shall mean:

- (i) in the case of the Servicing Bank, the Majority Agents or the Majority Banks;
- (ii) in the case of the Agent for each Syndicate, a Syndicate Instructing Group for such Syndicate.

This subsection is for the protection of the Servicing Bank and each Agent but neither the Servicing Bank nor any Agent shall be required to obtain any such written confirmation of the Requisite Banks in order to perform any function or responsibility or to exercise any discretionary power of the Servicing Bank or such Agent set forth in this Agreement. Nothing in this subsection shall be construed to permit any additional obligation to be imposed upon any Bank or the Obligor, to permit the reduction or postponement of payment of any amount to which any Bank is entitled hereunder, or to alter the requirements of the provisions to Section 12.01 with respect to certain amendments or waivers of this Agreement.

(b) No Requirement to Take Certain Actions. Neither the Servicing Bank nor any Agent shall in any event be required to take any action which in the judgment of the Servicing Bank or such Agent (i) is contrary to this Agreement or applicable law or (ii) exposes the Servicing Bank or such Agent to personal liability.

(c) Exercise of Discretion Not an Undertaking to Do So Again. If in one or more instances the Servicing Bank or any Agent takes any action or assumes any responsibility not specifically delegated to it pursuant to the

provisions of this Agreement, neither the taking of such action nor the assumption of such responsibility shall be deemed to be any express or implied undertaking on the part of the Servicing Bank or such Agent that it will take the same or similar action or assume the same or similar responsibility in any other instance.

(d) Reliance on Documents. Neither the Servicing Bank nor any Agent shall have any responsibility to review or verify the accuracy or completeness of any information contained in any notice or certificate or other communication received by the Servicing Bank or such Agent from any Person. Neither the Servicing Bank nor any Agent shall incur any liability under or in respect of this Agreement by acting upon any notice, consent, certificate or other instrument or writing (which may be by telegram, cable or telex) believed by it to be genuine and signed or sent by the proper party or parties or by acting upon any representation or warranty of the Obligor made in this Agreement or in any document delivered pursuant to the provisions hereof. To the extent that the Servicing Bank or any Agent is required by any provision of this Agreement to take any action or prepare any report in reliance upon any information, report or document to be furnished by any other party to this Agreement, the failure of any such other party to furnish such information, report or document shall excuse the Servicing Bank and such Agent from taking such action or preparing such required report; provided that the Servicing Bank and such Agent may in its discretion (but only to the extent not inconsistent with the other provisions hereof) partially take such required action or partially prepare such required report on the basis of the information, reports or documents furnished to it by other parties hereto.

(e) Reliance on Counsel. The Servicing Bank and each Agent may consult with legal counsel (including counsel for the Obligor) and other professional experts and consultants selected by it and shall not be liable for any action taken or omitted to be taken in good faith by it in accordance with the advice of such counsel, experts or consultants.

(f) No Duty to Inquire. Neither the Servicing Bank nor any Agent shall have any duty to ascertain or to inquire as to the performance or observance of any of the terms, covenants or conditions of this Agreement on the part of the Obligor or the Bank of Saire.

(g) No Responsibility for Validity of this Agreement. Neither the Servicing Bank nor any Agent shall be responsible to any Bank for the due execution, legality, validity, enforceability, genuineness, sufficiency or value of this Agreement or any other instrument or document furnished pursuant hereto.

(b) No Duty to Initiate Suits. Neither the Servicing Bank nor any Agent shall in any event be required to initiate any suit, action or proceeding arising out of or in connection with this Agreement.

SECTION 11.03. Limited Liability of Servicing Bank and Agents. Neither the Servicing Bank nor any Agent nor any of their respective directors, officers, agents or employees shall be liable for any action taken or omitted to be taken by it or them in connection with this Agreement (including without limitation any action taken or omitted to be taken prior to the date hereof by the Servicing Bank or any Agent in preparation for acting hereunder) except for its or their own gross negligence or wilful misconduct. Each Bank agrees that the limitation on liability contained in this Section is for the benefit and protection of the Servicing Bank and each Agent and not for the protection of the Banks.

SECTION 11.04. Indemnification by Banks. (a) Expenses. The Banks agree to indemnify the Servicing Bank and each Syndicate Member agrees to reimburse its Agent (to the extent not reimbursed by the Obligor) for their respective ratable shares of any and all liabilities, obligations, losses, damages, penalties, judgments, costs, expenses or disbursements of any kind or nature whatsoever which may be imposed on or incurred by the Servicing Bank or such Agent for any action taken or omitted to be taken by the Servicing Bank or such Agent under this Agreement (including without limitation any action taken or omitted to be taken prior to the date hereof by the Servicing Bank or such Agent in preparation for acting hereunder); provided that no Bank or Syndicate Member shall be liable for any portion of any such amount resulting from the gross negligence or wilful misconduct of the Servicing Bank or any Agent. Without limiting the generality of the foregoing, each Bank agrees that it will, subject to the limitations set forth in the proviso to the preceding sentence, upon demand pay or reimburse the Servicing Bank (to the extent that the Servicing Bank is not reimbursed by the Obligor) for its ratable share of any out-of-pocket expenses (including fees of special United States and other counsel to the Agents generally and United States counsel to the Servicing Bank) incurred in connection with the negotiation, preparation, printing, signing and administration of this Agreement or any amendment hereof or waiver or consent hereunder or in connection with investigating any alleged Event of Default or preserving any rights of the Banks or Agents generally or of the Servicing Bank hereunder or obtaining legal advice in respect of the rights and responsibilities of the Banks or Agents generally or the Servicing Bank hereunder. Further without limiting the generality of the foregoing, each Bank agrees that it will, subject to the same limitations, upon demand pay or reimburse its Agent (to the extent that such Agent is not reimbursed by the Obligor)

for its ratable share of any out-of-pocket expenses (including all legal fees) of such Agent in connection with investigating any alleged Event of Default or preserving generally any rights of the Syndicate in which such Bank is a Syndicate Member or of such Agent hereunder or of obtaining legal advice in respect of the general rights and responsibilities of the Syndicate Members of such Syndicate or of such Agent hereunder.

(b) Servicing Bank's Fees. The Banks also agree to pay to the Servicing Bank upon its demand (but not more often and no earlier than quarterly in arrears) their respective ratable shares of any fees payable to the Servicing Bank under Section 5.01 which the Obliger fails to pay within 90 days after such fees are due and payable.

(c) Calculation of Ratable Shares. Except as otherwise provided in this Agreement, the ratable shares of the Banks shall be determined in proportion to their respective Credits and the ratable shares of the Syndicate Members in each Syndicate shall be determined in proportion to their respective Credits in such Syndicate. All such determinations shall be made in Dollars. The principal amount in Dollars of any Credit which is not denominated in Dollars shall be determined as provided in Sections 5.10(e), 5.11(e) and 5.12(e).

SECTION 11.05. Successor Servicing Bank. The Servicing Bank may resign at any time by giving written notice thereof to the Banks, the Agents and the Obligor and may be removed at any time with or without cause by the Majority Banks or Majority Agents. Upon any such removal or notice of resignation the Majority Agents (in consultation with their respective Syndicates) shall have the right to appoint, on behalf of the Obligor, the Agents and the Banks, a successor Servicing Bank, and the Agents shall use their best efforts to so appoint a successor Servicing Bank. If no successor Servicing Bank shall have been so appointed by the Majority Agents and shall have accepted such appointment within 60 days after such removal or notice of resignation, then the retiring Servicing Bank may appoint, on behalf of the Obligor, the Agents and the Banks, a successor Servicing Bank, which shall have offices in London, New York or Paris and which shall be a commercial bank having a combined capital and surplus of at least \$100,000,000 or its equivalent in another currency or shall be a merchant bank affiliated with such a commercial bank. Upon the acceptance by a successor Servicing Bank of any appointment as Servicing Bank hereunder, such successor Servicing Bank shall succeed to and become vested with all the rights, powers, privileges and duties of the retiring Servicing Bank, and upon (but only upon) such acceptance, the retiring Servicing Bank shall be discharged from further responsibilities under this Agreement. The provisions of this Article XI shall continue to inure to the benefit of the retiring Servicing Bank as to any actions taken or omitted to be taken by it while it was Servicing Bank under this Agreement.

Each Agent may resign at any time by giving written notice thereof to the Syndicate Members for which it acts as Agent, the Servicing Bank, the other Agents and the Obligor and may be removed at any time with or without cause by a Syndicate Instructing Group of the Syndicate for which it acts as Agent. Upon any such removal or notice of resignation, a Syndicate Instructing Group of such Syndicate shall have the right to appoint, on behalf of all parties to this Agreement, a successor Agent for such Syndicate. If no successor Agent shall have been so appointed by such a Syndicate Instructing Group and shall have accepted such appointment within 60 days after such removal or notice of resignation, then the retiring Agent may appoint, on behalf of all parties to this Agreement, a successor Agent, which shall have offices in London, New York, Paris or the same city in which the retiring Agent has its principal office and which shall be a commercial or merchant bank having combined capital and surplus at least comparable to that of the retiring Agent or shall be a merchant bank affiliated with such a commercial bank. Upon the acceptance by a successor Agent of any appointment as Agent hereunder, such successor Agent shall succeed to and become vested with all the rights, powers, privileges and duties of the retiring Agent and upon (but only upon) such acceptance, the retiring Agent shall be discharged from further responsibilities under this Agreement. The provisions of this Article XI shall continue to insure to the benefit of the retiring Agent as to any actions taken or omitted to be taken by it while it was Agent under this Agreement.

**SECTION 12.02. such party from time to time in a written notice to the other parties hereto. All such notices and communications shall be effective, when delivered by hand, or when deposited in the mails, air mail, postage prepaid, and, in the case of telegraph or cable, when sent addressed as set forth above, and, in the case of telex, when the telex is sent and the appropriate answerback is received. The rights and remedies herein provided are cumulative and not exclusive of any remedies provided by law.

**SECTION 12.04. Accounting Terms; Calculations.** (a) All accounting terms not specifically defined herein shall be construed in accordance with generally accepted United States accounting principles consistently applied, except as otherwise stated herein. Except as otherwise provided in this Agreement, the equivalent in another currency of an amount in Dollars shall be determined at the rate of exchange quoted by the Servicing Bank, at 9:00 A.M. (New York City time) on the date of determination, to prime banks in New York City for the spot purchase in the New York foreign exchange market of Dollars with such other currency. Except as otherwise provided in this Agreement, the equivalent in Dollars of an amount in another currency shall be determined at the rate of exchange quoted by the Servicing Bank, at 9:00 A.M. (New York City time) on the date of determination, to prime banks in New York City for the spot purchase in the New York foreign exchange market of such other currency with Dollars.

(b) Whenever any payments are to be made ratably or pro rata or any amount is to be divided equally, such proportion or division shall be calculated to the nearest one Dollar (or comparable unit of any other currency in which such calculation is made).

**SECTION 12.05. Costs and Expenses.** (a) The Obligor agrees to pay, in the currency in which incurred:

(i) to the Servicing Bank and each Agent upon its demand an amount equal to any and all liabilities, obligations, losses, damages, penalties, judgments, costs, expenses or disbursements of any kind or nature whatsoever which may be imposed on or incurred by the

Servicing Bank or such Agent in any way relating to or arising out of this Agreement or any action taken or omitted by the Servicing Bank or such Agent hereunder, provided that the Obligor shall not be (i) liable for any such amount resulting from the gross negligence or willful misconduct of the Servicing Bank or such Agent or (ii) obligated to pay under this Section any such amount which is included in calculating the Servicing Bank's fees payable pursuant to Section 5.01;

(iii) to the Servicing Bank upon demand of the Servicing Bank or any Agent all reasonable fees and disbursements of special United States, Zaire or other individual or general counsel to the Agents and special United States counsel to the Servicing Bank and all other out-of-pocket expenses incurred on behalf of the Agents generally or by the Servicing Bank in connection with the negotiation, preparation, translation, printing, signing and administration of this Agreement or any amendment hereof or waiver or consent hereunder or in connection with any reasonable investigation of any alleged Event of Default or preserving any rights of the Banks or Agents generally or of the Servicing Bank hereunder or obtaining legal advice in respect of the rights and responsibilities of the Banks or Agents generally or the Servicing Bank hereunder; provided that the liability of the Obligor for legal fees and disbursements of individual counsel for each separate Agent in connection with the preparation, execution and delivery of this Agreement is limited to \$10,000 (or its equivalent in another currency) per syndicate for which such Agent acts, shall not apply to counsel fees and disbursements for services rendered prior to November 1, 1979 and shall not exceed an aggregate of \$125,000 (or its equivalent in other currencies) for all such legal fees and disbursements of individual counsel for the separate Agents, it being understood that this limitation shall not apply to fees and disbursements of any counsel representing the Agents generally. In the event that the aggregate amount of such fees for individual counsel to the separate Agents exceeds \$125,000 (or its equivalent in other currencies), the Servicing Bank shall allocate the \$125,000 to be paid by the Obligor to the Agents submitting invoices for individual counsel fees, ratably in accordance with the amount of each such invoice up to \$10,000 per Syndicate per Agent;

(iv) to each Agent upon its demand and as invoiced by such Agent to the Obligor through the Servicing Bank all out-of-pocket expenses incurred by such Agent in connection with the negotiation, preparation, execution and delivery of this Agreement in the period commencing with November 1, 1979 to and including the date of execution of this Agreement by such Agent;

(iv) to each Bank and Agent upon its demand all out-of-pocket expenses (including, without limitation, all counsel fees and court costs, stamp taxes, duties and fees) incurred in connection with investigating any Event of Default or enforcing this Agreement or suing for or collecting any overdue amount payable by the Obligor hereunder or otherwise protecting its rights in the event of any failure by the Obligor or Bank of Zaire to comply with the provisions hereof; and

(v) to the Servicing Bank upon demand of the Servicing Bank the respective fees then owed to the New York Process Agent and the London Process Agent.

The Servicing Bank agrees to promptly transmit to the Obligor all invoices received by it for each of the foregoing.

(b) The Obligor further agrees that if, at any time after the Reconciliation Date due to acceleration of the maturity of any of the Credits pursuant to Section 10.02 or due to any other reason (but excluding any prepayment pursuant to Section 4.03(b)), any Bank receives payments of principal of any Credit other than on an Interest Payment Date or a Principal Payment Date, the Obligor shall, upon demand by such Bank, pay to such Bank any amounts required to compensate such Bank for any additional losses, costs or expenses which it may reasonably incur as a result of such payment, including, without limitation, any loss (excluding loss of anticipated profits), cost or expense incurred by reason of the liquidation or reemployment of deposits or other funds acquired by any Bank to fund or maintain such Credit.

(c) Nothing in Section 11.04 shall relieve the Obligor of any liability under this Agreement to any party hereto. If any Bank pays any amount which the Obligor is obligated to pay to the Servicing Bank or any Agent hereunder, such Bank shall be subrogated to the rights of the Servicing Bank or such Agent against the Obligor in respect of such amount.

**SECTION 12.06. Judgment.** (a) If for the purposes of obtaining judgment in any court it is necessary to convert a sum due hereunder in Dollars into another currency, the parties hereto agree, to the fullest extent that they may effectively do so, that the rate of exchange used shall be that at which in accordance with normal banking procedures the Servicing Bank could purchase Dollars with such other currency in New York City on the Business Day preceding that on which final judgment is given.

(b) The obligation of the Obligor in respect of any sum due from it to any Bank, any Agent or the Servicing Bank hereunder shall, notwithstanding any judgment in a currency other than Dollars, be discharged only to the

extent that on the Business Day following receipt by such Bank or Agent or the Servicing Bank (as the case may be) of any sum adjudged to be so due in such other currency such Bank or Agent or the Servicing Bank (as the case may be) may in accordance with normal banking procedures purchase Dollars with such other currency; if the Dollars so purchased are less than the sum originally due to such Bank or Agent or the Servicing Bank (as the case may be) in Dollars, the Obligor agrees, as a separate obligation and notwithstanding any such judgment, to indemnify such Bank or Agent or the Servicing Bank (as the case may be) against such loss, and if the Dollars so purchased exceed the sum originally due to any Bank or Agent or the Servicing Bank (as the case may be) in Dollars, such Bank or Agent or the Servicing Bank (as the case may be) agrees to remit to the Obligor such excess.

SECTION 12.07. Consent to Jurisdiction; Waiver of Immunities. (a) The Obligor and the Bank of Iaile each hereby irrevocably submits to the non-exclusive jurisdiction of the High Court of Justice in London and any New York State or United States Federal court sitting in the Borough of Manhattan of New York City and any appellate court from any thereof in any action or proceeding arising out of or relating to this Agreement, and the Obligor and the Bank of Iaile each hereby irrevocably agrees that all claims in respect of any such action or proceeding may be heard and determined in the High Court of Justice in London or such New York State court or, to the fullest extent permitted by law, such United States Federal court or any such appellate court. The Obligor and the Bank of Iaile each hereby irrevocably appoints (i) The Law Debenture Corporation, Limited (the "London Process Agent"), with an office on the date hereof at Estates House, 66 Gresham Street, London EC2V 7BX, England, as its agent to receive on behalf of it and its property service of copies of the summons and complaint and any other process which may be served in any such action or proceeding before the High Court of Justice in London and (ii) CT Corporation System (the "New York Process Agent"), and together with the London Process Agent being collectively the "Process Agents" and each a "Process Agent"), with an office on the date hereof at 277 Park Avenue, New York, New York 10017, United States, as its agent to receive on behalf of it and its property service of copies of the summons and complaint and any other process which may be served in any such action or proceeding before any such New York State or United States Federal court. Such service may be made by delivering a copy of such process to the Obligor or the Bank of Iaile, as the case may be, in care of the appropriate Process Agent at such Process Agent's address, and the Obligor and the Bank of Iaile each hereby irrevocably authorizes and directs each Process Agent to accept such service on its behalf. The Obligor and the Bank of Iaile agree that a final judgment in any such action or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law.

(b) Nothing in this Section 12.07 shall affect the right of any Bank or Agent or the Servicing Bank to serve legal process in any other manner permitted by law or

affect the right of any Bank or Agent or the Servicing Bank to bring any action or proceeding against the Obligor or the Bank of Zaire or their respective property in the courts of other jurisdictions.

(c) To the extent that the Obligor or the Bank of Zaire may be entitled, in any jurisdiction in which any suit, action or proceeding may at any time be commenced with respect to this Agreement or any judgment based on its obligations hereunder, to claim for itself or its Assets or the Assets of any Governmental Agency immunity from suit, from the jurisdiction of any court (including without limitation any court of the United States of America, the State of New York or the United Kingdom), from attachment prior to judgment, from attachment in aid of execution on a judgment, from execution on a judgment or from the giving of any other relief or issue of any process, or to the extent that in any such jurisdiction there may be attributed such an immunity (whether or not claimed), the Obligor and the Bank of Zaire each irrevocably agrees not to claim and irrevocably waives any and all such immunity to the fullest extent now or hereafter permitted under the laws of the jurisdiction in which any such suit, action or proceeding may be commenced and (without limiting the generality of the foregoing) consents generally for the purposes of the State Immunity Act of 1978 of the United Kingdom to the giving of any relief or the issue of any process.

SECTION 12.08. Binding Effect; Partial Invalidity; Survival. Upon the execution of this Agreement by the Obligor, the Bank of Zaire, the Servicing Bank and each Agent and Bank, this Agreement shall be binding on and inure to the benefit of the parties hereto and their respective successors and permitted assigns. If one or more provisions contained in this Agreement shall be invalid, illegal or unenforceable in any respect in any jurisdiction or with respect to any party, such invalidity, illegality or unenforceability in such jurisdiction or with respect to such party shall not, to the fullest extent permitted by applicable law, invalidate or render illegal or unenforceable such provision in any other jurisdiction or with respect to any other party. To the fullest extent it may effectively do so under applicable law, each of the parties hereto waives any provision of law which renders any provision hereof invalid or illegal in any respect. Without prejudice to the survival of any other agreement of the Obligor hereunder, the agreements of the Obligor in Sections 5.06, 5.07, 5.08 and 12.05 and the agreements of the Banks in Section 11.04 shall survive the payment in full of the Credits.

SECTION 12.09. Lending Office; Assignments.

(a) Change of Lending Office. Promptly after signature of this Agreement each Bank shall confirm or advise the Agent for each of its Credits, or the Servicing Bank in the case of a Single Bank Credit, of the Lending Office of such Bank for each such Credit. Upon request of the Obligor or the Servicing Bank, each Agent shall notify the Servicing Bank

of the Lending Office for each Credit for which it acts as Agent, and the Servicing Bank shall notify the Obligor of each such Lending Office. Any Bank may at any time change the Lending Office of any Credit of such Bank by giving notice to the Obligor, the Servicing Bank and the Agents of such Bank designating a different office of such Bank (or its affiliate) as such Lending Office for purposes of this Agreement.

(b) Assignment by any Bank. Any Bank may at any time after the Effective Date assign its rights and obligations under this Agreement with respect to each Credit of such Bank as a whole to another bank or financial institution (an "Assignee"); provided that

- (i) such Bank shall not be relieved of any obligation so assigned unless the Assignee is a Controlled Affiliate of such Bank or such assignment is made with the Obligor's prior written consent (which shall not be unreasonably withheld and shall be deemed to have been given if the Obligor fails to reply to a request for its consent within 15 Business Days after its receipt thereof);
- (ii) the Obligor, the Servicing Bank and each Agent of such Bank may continue (A) to treat such Bank as a Bank named herein for all purposes hereof (including payments) until the Obligor, the Servicing Bank and each such Agent shall have received written notice of such assignment signed by such Bank and (B) to treat such Bank as a Bank named herein for all purposes hereof (other than payments) until the Obligor, the Servicing Bank and each such Agent shall have received an agreement (in form satisfactory to the Servicing Bank and each such Agent) signed by the Assignee that the Assignee is bound by this Agreement as fully and to the same extent as if originally named as a Bank herein; and
- (iii) upon compliance with subclause (A) of clause (ii) above, all payments in respect of the Credit assigned shall be made to the Assignee and upon compliance with subclause (B) of clause (ii) above, the Assignee shall become a "Bank" for all purposes hereof with respect to the rights and obligations assigned to it and the rights and obligations of the assigning Bank shall terminate.

Nothing in this Section shall prevent any Bank from granting participations in its rights under this Agreement if the existence of such participations does not affect the rights or obligations of any of the other parties to this Agreement.

12 - 8

(c) Assignment by the Obligor or the Bank of Zaire. Neither the Obligor nor the Bank of Zaire shall assign any of its rights or obligations under this Agreement.

(d) Special Definitions. As used in this Section, "assign" means assign or otherwise transfer; "rights" means any rights or other benefits; and "Controlled Affiliate" of a Bank means any corporation directly or indirectly controlled by, controlling or under common control with such Bank. For purposes of the foregoing definition, a Person "controls" a corporation if such Person beneficially owns more than 50% of the capital stock or equity interest having voting power under ordinary circumstances in such corporation.

(e) Limitation on Certain Payments. The Obligor shall not be obligated under Section 5.06 or 5.07 to (x) make any greater payment to a Bank which changes any Lending Office pursuant to this Section than such Bank would have been entitled to receive if its Lending Office had not been changed or (y) make any greater payment to an Assignee of a Bank than such Bank would have been entitled to receive with respect to the rights assigned to such Assignee, unless such Lending Office was changed or such assignment was made (i) with the Obligor's prior written consent (which shall not be unreasonably withheld and shall be deemed to have been given if the Obligor fails to reply to a request for its consent within 15 Business Days after its receipt thereof), (ii) at the request of the Obligor, (iii) to avoid the requirement of prepayment in the circumstances contemplated by Section 4.03(b)(i) or (iv) at a time when the circumstances giving rise to such greater payment did not exist.

**SECTION 12.10. Governing Law.** This Agreement has been negotiated, prepared, executed and delivered in several jurisdictions. Furthermore, the Servicing Bank, the Agents and the Banks are organized under the laws of various jurisdictions different from that of the Obligor and the Bank of Zaire. Accordingly, in order to establish a certain body of well-developed commercial law to govern this Agreement, the parties hereto have expressly agreed that this Agreement shall be governed by, and construed in accordance with, the laws of the State of New York, United States of America, without giving effect to the principles of choice of laws thereof.

**SECTION 12.11. Table of Contents and Section Headings; Banking Terms.** The table of contents and the headings herein are intended for convenience only and shall be ignored in construing this Agreement. All banking terms not specifically defined herein shall be construed in accordance with general practice among international commercial banks in New York City and London.

**SECTION 12.12. Execution in Counterparts.** This Agreement may be executed in any number of counterparts and by different parties hereto in separate counterparts, each

of which when so executed shall be deemed to be an original and all of which taken together shall constitute one and the same agreement. Complete sets of counterparts shall be lodged with the Servicing Bank and the Obligor. A set of counterparts signed by the Obligor, the Bank of Zaire, the Servicing Bank, each Agent and each Syndicate Member for which an Agent acts shall be lodged with such Agent.

**SECTION 12.13. Obligations of the Banks and Agents Several.** The obligations of the Banks and Agents hereunder are several. The failure of any Bank or Agent to carry out its obligations hereunder shall not relieve any other Bank, any other Agent, the Servicing Bank, the Obligor or the Bank of Zaire of any of its obligations hereunder, nor shall any Bank or Agent be responsible for the obligations of, or any action taken or omitted by, any other Bank or Agent hereunder.

**SECTION 12.14. Termination.** This Agreement and all rights, obligations and duties of the parties hereunder shall terminate on the 90th day after the date hereof if the Effective Date shall not have occurred prior to such day (except such rights, obligations and duties as shall have accrued on or prior to such termination or shall arise thereafter under Section 5.01, 11.04 or 12.05), provided that such termination date may be extended once with the consent of all the Agents to a day not later than the 120th day after the date hereof and may be further extended with the consent of all the Banks.

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be executed by their respective officials, officers or agents thereunto duly authorized, as of the date first above written.

FORM OF OPINION OF  
COUNSEL TO THE OBLIGOR AND THE BANK OF ZAIRE

(Dated no more than  
20 days before the  
Effective Date)

To the Banks, Agents and  
Servicing Bank parties  
to the Refinancing Credit  
Agreement referred to  
below

Gentlemen:

I am the Director of the Office of the Presidency of the Republic of Zaire (the "Obligor") and have acted as counsel to the Obligor and the Bank of Zaire in connection with (i) the Refinancing Credit Agreement dated as of March 31, 1980 (the "Agreement") among the Obligor, the Bank of Zaire and the Banks, Agents and Servicing Bank parties thereto and (ii) certain documentation delivered pursuant to Section 6.01(b) of the Agreement. Terms defined in the Agreement are used herein as therein defined.

In that connection I have examined:

- (1) An executed counterpart of the Agreement;
- (2) The documents furnished by the Obligor and the Bank of Zaire pursuant to Section 6.01(b)(i) through (v) of the Agreement;
- (3) The Constitution of the Republic of Zaire (the "Constitution");
- (4) The charter ("statute") of the Bank of Zaire; and
- (5) Such matters of law and other documents and materials as have appeared to me to be necessary in order to render my opinions expressed below.

Based upon the foregoing, I am of the opinion that:

- (a) The Obligor has full power and authority to execute the Agreement, to repay all Credits and pay interest thereon as primary obligor as provided in the Agreement, and to perform and observe the provisions of the Agreement on its part to be performed or observed.

Exhibit 8, p. 2

(b) The execution, delivery and performance by the Obligor of the Agreement have been duly authorized by all necessary legislative, administrative and other governmental action in the Republic of Zaire, and do not contravene (i) the Constitution or (ii) any treaty, law, rule, regulation, order or decree in the Republic of Zaire or, to my knowledge, any, writ, judgment, award, injunction or similar legal restriction applicable to the Obligor or the Agreement in the Republic of Zaire.

(c) No authorization or approval (including exchange control approval) or other action by, and no notice to or filing with, any governmental authority or regulatory body is required in the Republic of Zaire for the due execution, delivery and performance by the Obligor of the Agreement, except for the approval of the Bank of Zaire which has been duly obtained and is in full force and effect by virtue of the execution of the Agreement by the Bank of Zaire and except for an Ordonnance of the President of the Republic of Zaire, which has been duly obtained and is in full force and effect.

(d) The Agreement has been duly executed and delivered by the Obligor and is the legal, valid and binding obligation of the Obligor enforceable against the Obligor in accordance with its terms.

(e) The Agreement and each payment obligation of the Obligor thereunder is a direct, unconditional and general obligation of the Obligor as primary obligor.

(f) The Bank of Zaire is duly organized and validly existing under the law of the Republic of Zaire as the central bank of the Republic of Zaire and as such exercises, with the Obligor, full power and control over the International Monetary Assets of the Republic of Zaire.

(g) The Bank of Zaire has full power and authority under the law of the Republic of Zaire to execute and deliver the Agreement and to perform and observe the provisions of the Agreement on its part to be performed and observed.

(h) The execution, delivery and performance of the Agreement by the Bank of Zaire have been duly authorized by all necessary legislative, administrative and other governmental action under the charter ("statute") of the Bank of Zaire or under the law of the Republic of Zaire and do not contravene law in the Republic of Zaire applicable to the Bank of Zaire.

(i) The Agreement has been duly executed and delivered by the Bank of Zaire and is the legal, valid, and binding obligation of the Bank of Zaire

Exhibit B, p. 3

enforceable against the Bank of Zaire in accordance with its terms.

(j) The payment obligations of the Obligor under the Agreement rank at least pari passu in priority of payment with all other External Indebtedness of the Obligor. Pari passu is understood to refer to the order of priority of payment and not to the presence or absence of security.

(k) To my knowledge, there is no pending or threatened action or proceeding affecting the Obligor, the Bank of Zaire or any Governmental Agency or any of their respective Assets before any court, governmental agency or arbitrator which would, if adversely determined, materially adversely affect the ability of the Obligor to comply with its payment obligations under the Agreement or which purports to affect the legality, validity or enforceability of the Agreement.

(l) The Obligor and the Bank of Zaire are subject to civil and commercial law with respect to their respective obligations under the Agreement. Neither the Obligor nor the Bank of Zaire nor any of their respective Assets has any immunity from jurisdiction of any court, attachment prior to judgment, attachment in aid of execution, execution upon a judgment or other legal process in the Republic of Zaire or under its laws with respect to their respective obligations under the Agreement. The execution and delivery of the Agreement by the Obligor and the Bank of Zaire and the performance of their respective obligations thereunder constitute private and commercial acts rather than public or governmental acts. The Republic of Zaire is not a party to any treaty or other agreement with the United States of America or England which relates to any immunity from jurisdiction of any court or from any legal process in such jurisdictions which could be deemed applicable to any transaction contemplated by the Agreement.

(m) There is no tax, levy, impost, deduction, charge or withholding imposed by the Republic of Zaire or any political subdivision or taxing authority thereof or therein (i) on or by virtue of the execution or delivery of the Agreement or any other document to be furnished thereunder or (ii) on any payment to be made by the Obligor pursuant to the Agreement; provided that any Credits carried as assets on the books of, and any payments made in respect of any such Credits to, any Lending Office or other branch of a Bank located in the Republic of Zaire are subject to taxation in accordance with the laws of the Republic of Zaire.

(n) To ensure the enforceability or admissibility in evidence of the Agreement in the Republic of Zaire, it is not necessary that the Agreement or any other

Exhibit 8, p. 4

document be filed or recorded with any court or other authority in the Republic of Zaire or that any stamp or similar tax be paid on or in respect of the Agreement.

(o) If the Agreement were sued upon before a court in the Republic of Zaire, such court would give effect to the selection of the law of the State of New York, United States of America, as the governing law under Section 12.10 of the Agreement.

I am a member of the Bar of Kinshasa, Zaire and express no opinion as to matters governed by any laws other than the laws of the Republic of Zaire. I do not purport to be expert on the laws of the State of New York or of the United States of America and to the extent such laws may be relevant to any opinion herein expressed, I have, without making any independent investigation with respect thereto, relied upon, and my opinion is subject to the qualifications and limitations set forth in the opinion of Messrs. White and Case, delivered to you pursuant to the Agreement.

To the Banks, Agents and

Agreement referred to  
below

Gentlemen:

We have acted as special United States counsel to the Republic of Zaire (the "Obligor") and the Bank of Zaire in connection with the Refinancing Credit Agreement dated as of March 31, 1980 (the "Agreement") among the Obligor, the Bank of Zaire and the Banks, Agents and Servicing Bank parties thereto, pursuant to which the Banks and the Obligor have agreed to the refinancing of the Credits subject to the Agreement, all as provided therein. In connection with the preparation of this opinion, we have examined an executed counterpart of the Agreement; the opinion of the Director of the Office of the Presidency of the Republic of Zaire, as counsel to the Obligor and the Bank of Zaire, delivered pursuant to Section 6.01(b)(viii) of the Agreement; and executed counterparts or copies, certified or otherwise identified to our satisfaction, of such other documents as we have deemed relevant to rendering this opinion.

In such examination we have assumed that all such documents have been duly authorized, executed and delivered by or on behalf of each of the parties thereto, that all signatures on all such documents are genuine and that copies of all documents submitted to us are complete and conform to the original documents.

Exhibit 9, p. 2

We are members of the bar of the State of New York and we do not express herein any opinion as to any matters governed by any law other than the laws of the State of New York and the Federal laws of the United States of America. Based upon the foregoing, we are of the opinion that the Agreement constitutes a valid and binding agreement of the Obligor and the Bank of Zaire, except that we express no opinion as to:

(i) whether any determination by the Servicing Bank, any Agent or any Bank, if not made in good faith, would be conclusive absent manifest error,

(ii) the binding effect of Section 12.07(c) of the Agreement to the extent it purports to waive any immunity (a) with respect to property of the Obligor or the Bank of Zaire in the United States of America which is not used for a commercial activity in the United States of America within the meaning of the United States Foreign Sovereign Immunities Act of 1976 or (b) with respect to the attachment prior to the entry of judgment of property of the Bank of Zaire held for its own account,

(iii) the binding effect of any provision of the Agreement to the extent that it could result in the receipt of interest in violation of the provisions of the New York Penal Law relating to usury by a recipient to which such provisions are applicable,

(iv) the effect of the law of any jurisdiction (other than the State of New York) in which any Agent, Bank or Lending Office may be located,

(v) the binding effect of Section 12.06(b), or

(vi) whether a United States Federal court would have jurisdiction in a suit, action or proceeding brought by one or more foreign plaintiffs against the Obligor or the Bank of Zaire.

FORM OF OPINION OF  
SPECIAL ENGLISH COUNSEL TO THE AGENTS

(Dated no more than 20  
days before the Effective  
Date)

To the Banks, Agents and  
Servicing Bank parties to  
the Refinancing Credit  
Agreement referred to  
below

Dear Sirs:

We have acted as special English counsel to the Agents in connection with the Refinancing Credit Agreement dated as of March 31, 1980 (the "Agreement") among the Republic of Zaire, the Bank of Zaire and the Banks, Agents and Servicing Bank parties thereto. Terms defined in the Agreement are used herein as therein defined.

In that connection we have examined the execution form of the Agreement, including the form of the letter attached as Exhibit 7 to the Agreement from the Obligor and the Bank of Zaire to the London Process Agent, and such matters of law and other documents and materials as we have deemed necessary in order to render our opinion below.

On the assumptions that:

(a) the Agreement was duly executed by the parties thereto and that the Obligor and the Bank of Zaire have transmitted to the London Process Agent a letter in the form of Exhibit 7 to the Agreement and that the London Process Agent has accepted and agreed to the arrangement expressed therein; and

(b) the Agreement is valid and binding against the Obligor and the Bank of Zaire under the laws of the Republic of Zaire and the State of New York, United States of America, by which laws it is expressed to be governed;

Exhibit 11, p. 2

We are of the opinion that:

(a) the submission by the Obligor and the Bank of Zaire to the non-exclusive jurisdiction of the High Court of Justice in London and any appellate court therefrom and the waivers of immunity with respect thereto contained in Section 12.07 of the Agreement are valid, binding and effective in accordance with Section 12.07; and

(b) the appointment in Section 12.07 of the Agreement by each of the Obligor and the Bank of Zaire of The Law Debenture Corporation, Limited as its agent for the service of process in England is valid and effective.

We express no opinion as to any law save that of England.

This opinion is given only to you in connection with the Agreement and should not be relied upon as constituting a representation or other statement to any other person or for any other purpose.

Yours faithfully,

FORM OF OPINION OF  
SHARAN & STERLING  
SPECIAL UNITED STATES COUNSEL TO THE AGENTS

(Effective Date)

To the Banks, Agents and  
Servicing Bank parties to  
the Refinancing Credit  
Agreement referred to  
below

Gentlemen:

We have acted as special United States counsel to the institutions which are the Agents parties to the Refinancing Credit Agreement dated as of March 31, 1980 (the "Agreement") among the Republic of Zaire, the Bank of Zaire and the Banks, Agents and Servicing Bank parties thereto in connection with (i) the preparation, execution and delivery of the Agreement and (ii) the review of documentation submitted pursuant to Section 6.01 (b) of the Agreement and certain other matters related to the occurrence of the Effective Date under the Agreement. Terms defined in the Agreement are used herein as therein defined.

In connection with this opinion, we have examined an executed copy of the Agreement, the documents listed on Schedule I hereto and originals or copies, certified or otherwise identified to our satisfaction, of such other documents, certificates, governmental records and other instruments as we have deemed necessary for purposes of this opinion.

In our examination of the documents referred to above, we have assumed the authenticity of all such documents submitted to us as originals, the genuineness of all signatures, the due authority of the parties executing such documents, and the conformity to the originals of such documents submitted to us as copies. We have relied, as to all factual matters, on the documents we have examined. We also have assumed that the Banks, the Agents and the Servicing Bank have each duly executed and delivered the Agreement pursuant to due authorization.

Exhibit 12, p.2

We understand from the Servicing Bank that it has received (i) payment of all amounts required to be paid to it under Section 6.01(a)(x) of the Agreement and (ii) the confirmation of receipt of payment of certain non-Dollar amounts required under Section 6.01(a)(y) of the Agreement.

Based upon the foregoing, and having regard for legal considerations which we deem relevant, we are of the opinion that:

1. The Agreement constitutes a valid and binding agreement of the Obligor.
2. The documents listed on Schedule I hereto are substantially responsive to the requirements of Section 6.01(b) of the Agreement.
3. The conditions of the Effective Date have been satisfied and the Effective Date occurred on the date hereof.
4. A notification by the Servicing Bank to the Obligor and the Agents that such conditions have been satisfied and that the Effective Date occurred on the date hereof would be in accordance with the terms of Section 6.02 of the Agreement.

Our opinion is subject to the following qualifications:

(a) The enforceability of the Obligor's obligations under the Agreement may be subject to the application of equitable principles in any proceeding (legal or equitable) involving the enforcement of any of the provisions of the Agreement. Such equitable principles are of general application, and in applying such equitable principles a court, among other things, might not allow a creditor to accelerate maturity of a debt upon the occurrence of a default deemed immaterial or might decline to order the Obligor to perform covenants where the court considers the creditor to have another adequate remedy (such as acceleration or money damages). The equitable principles applied by a court might include a requirement that the creditors act with reasonableness and good faith. Such a requirement might be applied, among other situations, to the provisions of the Agreement purporting to authorize conclusive determinations by the Servicing Bank, or any Agents or Bank.

(b) The enforceability in the United States of the waiver by the Obligor of its immunities from court jurisdiction and from legal process, as set forth in Section 12.07(d) of the Agreement, is subject to the limitations imposed by the United States Foreign Sovereign Immunities Act of 1976.

Exhibit 12, p. 3

(c) We express no opinion as to the enforceability of Section 12.06 of the Agreement providing for the Obligor's indemnity to any Bank, any Agent or the Servicing Bank against any loss in obtaining Dollars from a court judgment in another currency.

(d) We express no opinion as to the binding effect or enforceability of any provision of the Agreement to the extent that it could result in the receipt of interest in violation of the provisions of the New York Penal Law relating to usury by a recipient to which such provisions are applicable.

(e) We are qualified to practice law in the State of New York and we do not purport to be experts on, or to express any opinion herein concerning, any law other than the law of the State of New York and the Federal law of the United States. We do not purport to be experts on the laws of the Republic of Zaire and, to the extent such laws may be relevant to this opinion, we have with your permission, but without making any independent investigation with respect thereto, relied upon, and our opinion is subject to the qualifications and limitations set forth in the opinion of special Zaire counsel to the Agents (Item \_\_\_\_\_ on Schedule I hereto). With respect to the submission by the Obligor to the non-exclusive jurisdiction of the High Court of Justice in London, the appointment by the Obligor of the London Process Agent and the waiver of immunity with respect thereto, we have relied for the purposes of our opinion upon the opinion of special English counsel to the Agents (Item \_\_\_\_\_ on Schedule I hereto). Further, we express no opinion as to the effect of the law of any jurisdiction other than the State of New York wherein any Bank, Lending Office, Agent or the Servicing Bank may be located or wherein enforcement of the Agreement may be sought which limits the rates of interest legally chargeable or collectible.

Very truly yours,

(d) An estimated amount of U.S.\$ 250 million of short-term insured trade arrears to be rescheduled over five years, is to be paid off in instalments of 10 percent in 1980, 15 percent in 1981 and 25 percent, in each of the next three years.

The amount of debt rescheduled in each of the categories discussed above will be determined as part of the bilateral negotiations with each Government.

The interest rates which will apply to all categories will be agreed on a bilateral basis, and each creditor has pledged to use its best efforts to hold down interest rates as much as possible. Zaire will seek to obtain an overall average interest rate of 8 percent. The following table illustrates the estimated debt service payments due by Zaire during the period 1980 - 1985, reflecting the 1979 Paris Club rescheduling and the proposed rescheduling for the uninsured bank debt.

- (1) Assumed signing of bilateral accords for Paris Club Agreement by 30th June 1980. Interest accrued at 5 percent from 1st July 1979. Interest assumed payable on 30th June and 30th December of each year. Under this assumption, one year of interest becomes due on 30th June 1980. Amounts to be rescheduled based on figures as at 30th June 1979, verified with creditors insofar as possible. Exact amounts eligible for rescheduling to be determined through bilateral negotiations.
- (2) Amounts based on figures as at 30th June 1979, verified with creditors insofar as possible. Assumes no disbursement of undisbursed balances.
- (3) Amounts based on figures as at 30th June 1979, verified with creditors insofar as possible. Disbursement of undisbursed balances assumed. Excludes approximately U.S.\$ 12 million of interest payable during 1980 on IMF Standby Facility.
- (4) Assumes signing and effective date for bank agreement of 31st March 1980. LIBOR assumed to be 15 percent in 1980, 14 percent in 1981, and 12 percent thereafter. All interest arrears payable on Effective Date and interest payable semi-annually thereafter. 10 percent of principal arrears due on Effective Date; 5 percent of principal arrears due in 1981; 3 percent of principal arrears due 1982-1984. Remaining principal due in 11 equal semi-annual payments beginning 1985.

## Schedule B, page 4

- (5) Assumes payment of estimated contractual debt service, so far not verified with creditors, without taking into account any possible rescheduling or repayment of arrears.
- (6) Proposed repayment of uninsured commercial trade arrears estimated at U.S.\$ 450 million as at 30th June 1979. These arrears have not been verified with creditors.
- (7) Assumes payment of contractual debt service, so far not verified with creditors, without taking into account any possible rescheduling or repayment of arrears.
- (8) Debt service shown in 1980 does not take into account payments made by Zaire after 30th June 1979 to Paris Club creditors and uninsured bank creditors. Such payments will reduce the debt service payable during calendar 1980.
- (9) Contract currencies have been converted into U.S. dollars at the rates prevailing as of 30th June, 1979.

It can be seen that the total estimated debt service for 1980 is U.S.\$ 470 million. This would be the maximum debt service as it does not give effect to any payments made to Paris Club creditors or to banks occurring after 30th June 1979. Such payments will reduce the estimated debt service obligation for Zaire in 1980. Debt service of U.S.\$ 470 million represents approximately 24 percent of estimated export earnings for that year.

While the above rescheduling terms represent a significant improvement in debt service, and even though governments pledged approximately U.S.\$ 170 million in new aid for 1980 last November in Brussels, there remains a substantial external resource gap.

It is expected that the next meeting in the form of a consultative group under the auspices of the World Bank will be convened early this year to review Zaire's external capital requirements.

PARIS CLUB SUMMARY

This schedule summarizes the principal features of the agreement reached in Paris on the 10th and 11th of December with the creditor countries ("Paris Club") for the rescheduling of the official bilateral debt of Zaire. This agreement will be formally implemented by subsequent individual bilateral agreements signed by each creditor government and Zaire. These agreements will come into force subject to certain conditions being met, including the continued eligibility of Zaire to make drawings under the existing stand-by agreement with the International Monetary Fund ("IMF").

In assessing the results of the Paris Club rescheduling it should be noted that governments follow a procedure of rescheduling official debt in arrears and debt maturing (principal and interest) only for the period encompassed by the IMF Stand-By Program. The Government of Zaire recognizes that the members of the Paris Club made a concerted effort to acknowledge Zaire's severe economic problems by rescheduling Zaire's official debt on terms more favorable than either of the two previous Paris Club reschedulings. Moreover, these terms are believed to be more favorable than any granted to a developing country since 1970. In addition, the creditor governments accepted the principle that a further Paris Club meeting be held to consider maturities falling due in 1981 and 1982, provided that there is an IMF program in effect at that time.

The principal categories of debt dealt with under the Paris Club Agreement and the main terms of that agreement are as follows:

(a) U.S.\$ 505 million of maturities relating to debt not previously rescheduled falling due between 1st July 1979 and 31st December 1980 are to be rescheduled as to 90 percent, over ten years with a grace period of 4-1/2 years. The balance of 10 percent would be paid over the grace period in four equal annual payments beginning 30th June 1980.

(b) U.S.\$ 472 million of arrears of principal and interest not previously rescheduled and falling due before 30th June 1979 are to be rescheduled as to 80 percent, over ten years with 4-1/2 years grace. The balance would be paid in successive annual instalments of 2 percent, 4 percent, 6 percent and 8 percent, during the grace period starting 30th June 1980.

(c) U.S.\$ 92 million of debt which had been rescheduled at previous Paris Club meetings, comprising arrears to 30th June 1979 and payments due and not paid in the second half of 1979. Payment of these amounts is to be made in two instalments, 33 percent on 30th June 1980 and 67 percent on 31st January 1981.
